### Competition Schedule

**Competition 1, 2 and 3 will take place at the same time in 2 arenas!**

**9:00 Competition Nr. 1** – **Competition with evaluation** (in 2 phases) for pony and horse riders who haven't presented themselves in jumping competitions with the height of obstacles 90 cm and above and higher. The restriction did not apply to ponies. The height of the obstacles in the second phase is 50 cm.

In the first phase - stopping, walk, trot. In the second phase - 3 obstacles up to 50 cm. A participant may compete in both or only the first phase.

**Competition Nr. 2** – **Obstacles height 60 cm** - the ideal time, for pony and horse riders who haven't presented themselves in jumping competitions with the height of obstacles 90 cm and above and higher. The restriction did not apply to ponies.

A competition with a time allowed known as "ideal time". Penalty points for not reaching or exceeding the "ideal time" are not awarded. Other faults are judged according to table A. Display of time records is not allowed in this competition. The best result is the athlete whose result - penalty points, the difference between the presented time and the "ideal time" - is the smallest. In the event that penalty points and margin are equal, the best result goes to the competitor who did not exceed the ideal time. The other athletes are ranked according to the penalty points and the time difference between the presented time and the "ideal time".
